

Love Won't Hide By: Peter Queal

**Now I've got to get you on my side
I don't mean to pry
But I won't be satisfied
'till I look deep inside your eyes**

**Take a glance my way and you will see
What you mean to me
I'm not askin' for nothin' free
And I just can't let you be tonight**

Chorus

**Tonight while we are close enough to love
I know it's you because
A fire burns inside
I've got to say
This love won't hide
This love won't hide**

**Now that it's a simple thing to see
Don't you back away from me
'cause I'm sure that you agree
And let's just set it free tonight**
